

## CLASS NAMES FROM September 2010

A class vote for your top 10 names from the list below will take place by the end of term. These are common British Birds based on the principle of the Kingfisher being our logo. You may want to help your child to find out about birds that are of interest.

By going to the RSPB website at

<http://www.rspb.org.uk/wildlife/birdguide/name/a/index.aspx>

you can find out basic information, see what they look like and hear the call they make.

The vote will not take place until the last week of term so there are 3 weeks left for children to make up their minds.

(Barn) Owls	Bullfinches	(Carrion) Crows	Chaffinches
