1st July 2010

**Success for All**

## **Sports Day**

Dear Parents,

Apologies for the delay in letting you know but this year Sports Day will be on Thursday 15th July. Due to the increasing number of children and the expansion of the building onto the field, Sports Day will be held in two parts this year, as shown in the table below. We have quite a reduced field this year!

|                                  |                    |
|----------------------------------|--------------------|
| Foundation Stage and Key Stage 1 | 9.00am to 10.30am  |
| Key Stage 2                      | 10.30am to 12.30pm |

Parents are welcome to stay for both parts of the morning and there will be refreshments available throughout.

**The children must come to school in trainers/plimsolls and their P.E kit that day and will remain in their kit for the duration of the day.**

This year the children are assigned to a colour;- red, blue, green or yellow. The children will be competing against each other to try and raise as many points for their colour. **A letter will follow shortly containing information about the colour your child will need to dress in for the day.**

The clock sports will contain a mixture of activities and the children will be in groups of 7 or 8 and will remain in their year groups. They will rotate round the activities in number order.

If you would like to volunteer to run an event for the morning or one of the key stages, please see myself or the office for information.

I hope that you can come along and support your child on Thursday 15th July for what is always an exciting event!

Please don't hesitate to ask myself or the office any questions

Thank you,

Fran Brassleay  
KS2 Leader/P.E Co-ordinator
