

Geography

- Investigate our local area and the village of Gretton.
- Explore human impact on the environment.
- Use decision making skills

RE

Faith, courage and commitment

- How beliefs shape the lives of different people.

ICT

- Editing skills for visual effect

Literacy

Sir Kit's Quest Myths and Legends

Sir Kit has nearly reached the end of his quest. The only thing preventing him from retrieving the magic box is the dragon, who wants Sir Kit to read him a story. In order to help the brave knight, the children will have to write their own story based on traditional tales, myths and legends, which Sir Kit can read to the dragon and retrieve the magic box.

Numeracy

- Written methods for addition, subtraction, multiplication and division.
- Reading and writing proper fractions.
- Number problems.
- 2D and 3D shapes.
- Measures.

Environmental Change/Our Local Area

SEAL/PHSE

Citizenship - making a positive contribution
Good to be me/relationships - feelings of guilt, making amends

Art

- Sculpture - what is sculpture and its purpose?
- Designing, developing and making a sculpture.

Dance: Country dancing

Music

- Combining sounds using the pentatonic scale.

Science - Light and Shadows

- Planning a fair test
- How shadows are created and how they change according to the position of the Sun.

Spanish

Food; days of the week; months of the year.

How to help at home: Talk about the area in which you live. What are its features? How has it changed in the past few years and why have those changes taken place? Whilst reading at home, talk about characters, interesting vocabulary and speech punctuation. Practising the 2, 3, 4, 5, 6 and 10 times table will always be of value for the children. The sculpture park at Burghley House, Stamford, is well worth a visit too!
