## Christmas Cards

If you want to focus on the environment, why not **send 1 special card to the class** from your child and send a donation into school, marked 'Christmas Cards'. We collect anything donated for charity. If all children sent a card to all in their class it would be almost 10,000 cards – what a waste!

## Reminders:

- Please don't block the service road to Budgen's; it's not only inconsiderate, it causes chaos for deliveries and is a danger to our children;
- Please keep your account for meals up to date; school is not obliged to provide any if not paid for, and it may be seen as neglect of needs.
