School Visit

We have been happy to welcome a team of local Headteachers and senior leaders to Nene Valley as part of the 'School's Partnership Program'.

The team have been analysing our curriculum and the teaching and learning we are offering our children. They observed lessons, looked at books, spoke with pupils and members of staff and looked at the curriculum.

The feedback was positive and they were extremely impressed with the education offer we are delivering at NVPS.

Technology

As part of our continued improvements in school, we received our first delivery of iPads today. Amongst other exciting changes that have been taking place, the upgrade in technology will ensure that we continue to deliver an outstanding curriculum to our children.

Thank you to FONV for the extremely generous donation towards this upgrade.

Website:

Our website offers a lot of information about what is happening in school. We intend to use it more frequently to keep parents and carers up to date on school life. See below an example of our news stories page:
