Dear parents/carers,

In order to support and extend the children's understanding of our History topic, Romans, that we have been covering over the Autumn and Spring Term, we would like to visit The Peterborough museum on Wednesday 22<sup>nd</sup> and Thursday 23<sup>rd</sup> March. We will confirm closer to the time which classes will be attending on which day.

During this visit, the children will learn about the Romans through the years. Peterborough Museum has a fantastic collection of Roman finds that tell the local Roman story of Durobrivae, from fortress to prosperous Roman town. There are four activities in this full day where pupils experience what life might have been like in Roman Britain. The children will also get to take part a craft activity and return home with a Roman clay pot.

The children will need to be dressed in school uniform and wear comfortable footwear. They will also need a packed lunch for the day (please let the office now if your child is unable to bring packed lunch and normally receives free school dinners).

We will leave school at 9am and will anticipate to return to school at approximately 3pm (we will be walking to and from the museum).

In order for this visit to take place, we are requesting a voluntary contribution of £9 towards the trip. Please note that if we don't have enough contributions, the trip may have to be cancelled.' Please can we have all contributions by Monday 13<sup>th</sup> March.

Thank you for your continued support,  
Phase 3/4 Team
