School Review

We welcomed a review team from London into school on Friday, led by an experienced OFSTED inspector.

Their focus was looking at the exciting changes we have been making to our curriculum this year.

The review team gave the school excellent feedback on what we are doing and the outstanding education we are providing for our children.

Communication with parents

We are now using a new communication system, 'Teachers2parents', allowing school to keep you better updated with any changes that may happen in school.

The main communication will be coming through texts.

Please sign the consent forms with the office if you have not already.

Book fair:

Thank you to all parents who purchased books through the book fair. The school receives some commission for the sale of the books.

This money goes directly to buying exciting new books for the children in school.
