Dear Parents/Carers

Every year we arrange for the pupils who will be in Year 6 next year to attend a 3 day residential at the PGL Activity Centre in Caythorpe, Lincolnshire. The residential this year has been arranged for Wednesday 22nd May 2024 to Friday 24th May 2024. PGL is a market leader of course providers with centres across the UK, France and Spain. It can provide our children with an extensive range of outward bound and team building activities.

The intention of this visit is to provide children with a unique experience that will have a lasting impact as well as being a lot of fun. The residential trip will bring the children face to face with completely new activities and team building experiences, promote healthy physical exercise and develop self -confidence. Our experiences of residential visits have been that not only do the children enjoy their experience but it has an invaluable impact on their social skills and self- confidence, preparing them well for the move to secondary school. Three members of staff will accompany the children at all times. We hope that all children in Year 6 will be able to join us and benefit from this experience. To obtain further information about the visit, please visit their website www.pgl.co.uk/parents.

The total cost of the residential will be £327.50 This is £312.00 for the cost of board, lodgings, insurance, and all activities plus £15.50 for transportation to and from Caythorpe (for further information please refer to our Charging and Remissions Policy).

Children are requested to bring a packed lunch with them for the first day. If your child receives free school meals and you would like the school to provide one, please contact the school office.

We require a non-refundable deposit of £50 per child to secure their place, therefore should you wish your child to take advantage of this trip please return the permission slip and make a payment for the £50 deposit on ParentPay by **Wednesday 19th April 2023**.
