Exciting Developments!

After the Easter holidays the children in KS2 will have access to 'MyOn', an electronic library of over 8,000 books. 'MyOn' will link directly to the children's accelerated reader accounts, ensuring they always have a reading book matched to their reading level. They will also receive a reading book from school.

The children will be able to access 'MyOn' at both home and school, allowing the teachers to better track their reading progress. All of the staff are excited for the arrival of 'MyOn'.

We will look into rolling this out to KS1 during the summer term.

Yr 3-4 performance

Year 3-4 have been diligently practicing for their big performance of 'Dragon Days'. The children performed excellently in their dress rehearsal to the school this morning and are excited (tinged with nerves) to perform two shows to the parents this week.

Please arrive through the office doors at the front of the building. Please also ensure you arrive on time to the performance as to not disrupt the flow of the children.

Office Team:

We are currently operating with 1 member less in our office team. This will be the case until we return after the Easter holidays. I ask that you bare that in mind when asking the team to deal with any queries.
