## COVID response

At the time of writing we have no positive cases to report.

Just for your awareness, bubbles don't close automatically if there is a positive case, but have to be assessed by the DfE and Public Health England. It's inevitable we will have one before too long, but at that point parents effected would be contacted.

## Reminders:

- We are stocked with school water bottles, so please place orders. It is not school policy to allow non-school ones in classes but we have been flexible so far.
- Warm clothes for inside too – we have to keep well ventilated, even when cold.
