Latest News!

MyOn, our online library for the children in KS2, should be up and running this week. The children will shortly receive a login, which will give them access to over 8,000 texts.

MyOn will assess the children regularly to ensure they are always reading a text at the right level. Children will be able to access their texts on any electronic device.

Please look out for your children's login details over the coming week.

Year 5/6

Year 5/6 parents, you will have noticed your child being taught by different teachers throughout the week. Year 5/6 classes split at this time of year to allow the year 6 children to concentrate firmly on SATs. It is something that we regularly do at this time of year, as do most split form entry schools.

Please speak with your child's class teacher if you have any questions.

Office team:

Thank you to all of our parents for being supportive and understanding of the demands on our office team over the past few weeks. We hope to welcome our office manager back to school soon, where things should return to normal.
