Latest News!

With half term approaching, please contact the school if any of our families need help or support. The school has the facilities to help in a range of ways or direct our families to services that can help.

We are looking to regenerate our playground and outside space. The children have been involved in thinking of creative ways to make our outside provision more exciting. We also welcome thoughts from our parents/carers. Please email or speak with a member of staff if you have any exciting ideas.

Lost Property

We have quite a large amount of lost property that collects throughout the week. We endeavor to return this to the children in a timely fashion; however, sometimes this is not possible. Therefore, a lost property table will be placed outside the library, after school, twice a week (weather permitting).

Warmer Weather:

The warmer weather is finally here! Please ensure that your children come to school with a water bottle, sun cream and a hat. There are points in the day when we are outside and the children need to be best protected.
