

Head Teacher. Neil Reilly
Deputy Head Teacher. Nick File

24th May 2023

Dear parents/carers,

To encourage you all to think like scientists over the half term, we are going to hold a 'Science Selfie' competition!

We would like you to take a photograph and then, in one sentence, explain how it is science! It could be planting seeds, making slime, finding signs of Spring and Summer, looking at the effects of exercise on your body, baking... use your imagination.

We want the children to recognise that science is all around them, every day, so please have fun with your entries. Please e-mail them with your explanation of how it is science to the office, and they will pass them along.

Entries to be in by **Thursday 8th June 2023**. Winners for each Key Stage will be announced the following week with a prize for the best 'Science Selfie'.

Kind regards,

Miss Bentley
