Dear Parents and Carers

Nene Valley Primary School prides itself on the various ways in which we communicate with parents: from face-to-face conversations, phone calls and emails to digital platforms like the school website. Effective communication enables us to keep parents informed about children's learning, school life and essential information.

However, we are always seeking ways in which we can build upon and improve how we communicate with parents, and to do this your feedback is vital.

As a result, we would be grateful if you could complete a short survey by clicking on the link below:

[Parent Survey on Communications](#)

You need only complete one form per household and the deadline is Friday 16<sup>th</sup> June 2023.

Your feedback is very valuable to us because it will let us know what works well and what could be improved upon regarding our school communications. It will also help to develop effective communications across the OWN Trust.

Kind regards

Mr N Reilly
