Latest News!

Met with Hollie (Chair of FONV) last week to talk about how we can support their hard work. It's all very complicated (money and other items coming in/out of school can't be touched for 2-3 days) but they are determined to keep going. Funds raised will go towards the new artificial grass flooring in our enchanted forest (library). We need fundraising support more than ever after losing income from meals and clubs – thanks FONV!

Photographs

A logistical nightmare to ensure our safety measures aren't compromised, but we're trying. It's quite possible we can't physically fit sibling photographs in (siblings together is fine, but - we have to clean down between takes, they can't fetch each other from class bubbles, less time, less space etc.) If we don't succeed we may look at separate ones later in the year when classes are taken.

Reminders:

- School is now cashless so please pay by other means (ideally ParentPay) . If you have no alternative but to use cash, please send the correct amount – we don't have the reserves to send change.
