**Latest News!**

We are extremely proud that Nene Valley has been awarded the Primary Science Quality Mark (PSQM). The PSQM is given to a small number of schools who have designed and teach an outstanding science curriculum in their schools.

Science is led superbly by Miss Bentley and she has been the driving force this past year in developing the science curriculum and gaining the PSQM.

Feel free to congratulate Miss Bentley and the team.

**Family Voice Workshop**

Thank you to all parents who attended the family workshop last week. It was a great event, hosted by Ms. Pearson.

For those parents who were unable to attend, we will be hosting another event this year.
