Dear Parents/Carers,

Parking Around the School

We appreciate your efforts in accessing the school site via the rear gate and recognise that there are no public car parking facilities within the immediate vicinity. However, we have received some complaints from local residents related to parking, which we are keen to address and resolve.

At Nene Valley, we promote healthy lifestyle choices and expect that if you live on the Sugar Way development, children will be walking, scooting or biking to school rather than coming in a car.

However, where travel in a car is unavoidable, using the roads immediately nearby the school understandably increases the number of complaints we receive, especially if residents' driveways are being blocked or used to turn vehicles around. This means the school has to spend increased time on dealing with complaints rather than on the children in school. Parking or 'waiting' on the roads outside school is dangerous and causes problems for the passing traffic. Additionally, it makes safely crossing the road more challenging for our families who are walking.

Whilst there are some parking restrictions in place around school, we are unable to enforce anything additional. Therefore, we ask for your help in improving the situation by parking a distance away from the school to spread the load, reduce congestion and be considerate of our local residents and road users.

Thank you for your co-operation and support.

Kind regards,

Mrs Carly Pearson
EYFS Leader
