Dear Neil,

It was very pleasing to receive the final report of your recent Ofsted inspection which reported that 'Nene Valley Primary School continues to be a good school'.

The report highlights that the school has many strengths which include:

- Leaders and teachers have worked together to design an ambitious curriculum.
- Leaders and teachers begin teaching children to read as soon as they join in Reception...Pupils enjoy reading and their ability to read improves rapidly.
- Leaders identify and support pupils with special educational needs and/or disabilities (SEND) effectively.

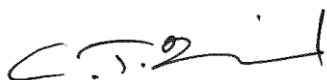

We know that a positive report is the outcome of a significant amount of dedication and hard work from the entire school community, including careful oversight by the Trust and governors. Everyone can feel justifiably proud of what has been achieved and the good level of education you are providing to our young people.

Please pass on our thanks and congratulations to your team.

We wish you all the best as you reflect on the many positive comments within the report and as you move on to the next stage of your continuous school improvement journey.

Best wishes,

Chris Baird
