Academic Success!

Nene Valley has proudly moved up the league tables and we are now 10th out of 62 schools in Peterborough for academic success.

This is a fantastic achievement by our children and the staff who work so diligently each day.

We continue to provide an exceptional all-around experience for our children, whilst also having strong academic outcomes.

Myself and the team are striving to further build on this success, ensuring we are providing our children with the tools to meet and exceed their potential.

Pre-Teach Sessions:

We will be continuing with our pre-teaching sessions this term. Pre-teach is a great way of giving children a quick boost and insight into the learning for the day.

Letters will be sent home by the end of the week inviting children to these sessions.

If you have any questions about pre-teach, please speak with your child's class teacher.
