New Playground!

The children were filled with excitement this morning as work has started on the redevelopment of our playground space.

There will be workmen on site for the rest of this half term, with the school hoping all work will be completed by the time we return from February half term.

We will update you with information and pictures as the building works take place.

Mobile Phones

Some children in Key Stage 2 bring a mobile phone to school with them each day.

Whilst the school supports parents' decisions to allow their child to have a phone, they must leave it at reception at the start of each day.

Children will have their phones taken off them by a member of staff if they have not handed it to reception and may be suspended from bringing a phone to school.

Lost Property:

We have a lot of lost property in school. Please ensure your child's name is written in all items of clothing so that we can easily return it to them.

We will leave all lost property out on a table in the playground this week.
