Latest News!

As part of our continued drive to further strengthen communication with home and school, we will be launching a Nene Valley 'School News' app.

The app will be a quick way for our parents to access information about school life.

Initially, the app will give parents information on: news stories, the weekly update newsletter, letters sent home and term dates.

See below the link for information on downloading the app:

Young Voices

Children from the choir had a wonderful time at 'Young Voices' last Friday.

They were exceptionally well behaved and represented the school beautifully throughout the trip to the O2.

A big thank you to all of the staff and parents that gave up their time to ensure the children had a wonderful experience.

Playground project:

The playground development project is well under way and the children and staff are extremely excited to see the finished project.
