Latest News!

Our redevelopment of the playground is moving at a quick pace and the children are excited that phase 1 is almost complete.

Although the redevelopment works are soon to be finished, we are being supported by Friends of Nene Valley (FONV), over the next 2 years, to help towards the financial cost of the redevelopment works. All fund raising over the next 2 years will go directly to supporting this project. See the below link for an update on the works:
