

26th February 2024

Dear Parents/Carers,

I am writing to inform you about the forthcoming parent consultations scheduled to be held in school on Thursday, 7th March from 2:00 pm to 7:20 pm. Please be advised that Key Sports clubs and after school club will proceed as scheduled.

Each family is entitled to a 10-minute appointment for each child. Unfortunately, it is not feasible to offer more than one appointment per child. The objective of this meeting is to provide you with an opportunity to meet your child's teacher, discuss your child's progression so far this year, and address any concerns you may have.

To ensure your participation in these consultations, we kindly ask you to use the link provided below to book your consultation slot by Friday, 1st March. Booking can also be made through the school website, via the 'parents' section. When booking, please include your name, your child's name, email and any specific matters you would like to discuss.

Please note that unless under exceptional circumstances, failure to make the appointment will result in no other meeting being offered.

SEND Review Meetings

In response to feedback from parents, a separate meeting will be offered to parents of children who have an individual learning plan (SEN support/EHCP). This will be **instead of** the usual parents evening appointment to allow sufficient time to review your child's progress towards their current targets and agree new ones for the next cycle. If this applies to you, **you do not need to book a parents evening**

appointment – your child's class teacher will be in touch to arrange a mutually convenient time to meet you during the week beginning 26th Feb or 4th March.

If your child is accessing speech therapy and is working towards targets set by the SALT, they may not have a learning plan. Therefore, you should book a parents evening appointment as normal. If you are unsure, please contact your child's class teacher or the SENCO (senco@nenevalleyprimary.net).

We look forward to meeting with you during our parent consultations.

Kind regards,
Mr. N Reilly
Head Teacher
