

29th February 2024

Dear Parents/Carers

Water Bottles

Could we please remind you that water bottles brought into school should be transparent and contain water only. School water bottles can be purchased using ParentPay for £2.50, and once payment has been made these will be taken to class.

Could we also please let parents know that 'Air Up' water bottles are not permitted in school.

Kind regards

Mr A Shang
Director of Learning
