Dear Parents/Carers,

I am writing to raise the profile of 'Pupil Premium Funding' and 'Free School Meals' within our school community from EYFS through to Year Six. Whilst all children in EYFS and Key Stage One access free school meals, it is important that parents apply for pupil premium funding. If eligible, this funding means pupils are entitled to free schools meals from year 3-6, where they would otherwise have to pay.

On top of this, the school also receives additional pupil premium funding for pupils who access pupil premium funding. This is crucial in enabling us to support children at school appropriately, placing high importance on their social and emotional well-being in addition to their academic support.

Please take time to read the attached flyers and if you believe that you are eligible to apply for this funding, I urge you to do so. If you require any support with this, please do not hesitate to contact me via the school office. If you have a child who is in receipt of pupil premium funding, you will also need to apply separately for their younger siblings.

Kind regards,

Miss K Brown
Pupil Premium Leader
