### Latest News!

Each class in Y5/6 had a brilliant visit from 'The Conversation' Community Interest Company last week (socially distanced of course!) The focus was supporting wellbeing for the children. They couldn't offer this to the whole school, but staff will be able to cascade the input Y5/6 received. Watch this space, as The Conversation have also offered workshops for parents to support their own children.

### Children in Need

What an effort from everyone on Friday, raising a huge amount of money (£801 at the time of writing)! Having watched CiN on Friday evening, it's clear that fundraising is more important than ever, but the children managed to have great fun at the same time. Thanks to you for the money, but to the staff and especially Mr. File for organising.

### Reminders:

- Don't forget to regularly check for headlice (weekly) following shampooing/conditioning. Use a wide toothed comb to detangle, then a fine toothed detection comb, paying particular attention to the back of the neck and ears. Only treat if actual lice are found to avoid lice becoming resistant.
