Attendance

We understand that illness can't always be avoided, and it's important for children to rest and recover when they're unwell. However, regular attendance is crucial for their learning and development. Every day in school helps build skills, confidence, and friendships. Please try to be in school as much as possible.

Reminders:

Our community hub is still open each morning before school and after school. We have a large amount of uniform, clothes and food.

Please help yourselves to what you need.
