Staying Safe

The number of cases in schools increased rapidly in the last fortnight. NPA closed on Friday p.m. Key things to remember:

- Maintain social distance for pick-up and drop off;
- Children in different bubbles should not be meeting up or coming to/from school together – don't linger;
- Wear masks at the gate;
- Only 1 to collect/drop off
- Stay within time windows.

Reminders:

- Check details about Christmas cards. We are trying to keep some normality, but it involves lengthy and complicated plans to make it work. We are quarantining them before distributing, rather than just cancelling. Please help by checking what to do.
