### Thank you!

As we close the strangest term ever, we just want to say **thank you**. Many have expressed support for staff as they tried to do all they could to keep going, smiling for the children and being as creative as possible. All the time, hiding and dealing with their own anxieties. It has been no mean feat, but the team have pulled together. Thank you for recognising this and being so ready to adapt yourselves. It has been tough for you too, so **thank you** again!

### Things to Celebrate

There has been so much to celebrate in school this term, albeit virtually! Our termly newsletter will share just how much has been happening. Well done **FONV** for raising a huge £1388, even with no events to do it! We had an artist in residence for willow weaving, as well as recording assemblies and Nativity – all managed safely throughout. What an achievement!

### Reminders:

- **Term ends on Thursday.** This is not an extra training day, as we had planned it over a year ago, so no reduction in days for us. Staff will be in school for part of the day, but otherwise will be completing online health and safety training from home (asthma, allergies etc.)
