Staffing

We are sad to say that Mrs. Copeland will be leaving us at the end of term to take up a post at Stibbington Centre. Congratulations to her on attaining such a sought after position, and no doubt the children will see her on future trips and residential. Mrs. Copeland has worked at Nene Valley for just over 10 years and will be really missed.

Mrs. Haq will be filling the vacancy in Owls.

Reading

Our recent phonics workshops were really well attended and provided a great insight into how to support children with a key reading skill. However, it is only a small part of the process. All children benefit as much from **hearing stories read to them** as reading for themselves. Make this a priority for helping your children succeed.

Reminders:

- Please do not bring hot drinks into school, even in safety cups, as this is not the correct environment to have them. Staff have been asked to politely remind visitors;
- The staff car park is not available to parents for parking during normal drop off and pick up periods. Parents may only use the staff car park if collecting from Kingfisher Kids.
