Dear Parent/Carers,

It is with great enthusiasm that I announce our School's participation in the reboot of the School Games Active Championship, powered by TopYa! This Championship is an online virtual active competition, running through 2020 and 2021.

As lockdown restrictions are put into place and the school environment is rapidly changing, it is important that we provide a safe and secure environment for our students to stay active. Using technology and a watch-learn-do model, the Championship drove active competition during the early stages of the pandemic. Over the course of 5 months, 75+ challenges were given out, 3,500 videos were uploaded, and over 1,700 hours of active learning was completed (that's nearly 75 consecutive days!).

The Back to School Games Championship is a virtual competition, providing students across the United Kingdom equal access to active and fun challenges. Over the course of several months, the Championship can be accessed through the TopYa! Active app. Videos can be completed and uploaded from anywhere with just a mobile device, and even **receive real feedback from the app's trained virtual coaches**. 20 new challenges are now available for students to take on. 8 new challenges will be released every second Monday of the month.

Getting Started

Our school is already signed up to the School Games Active Championship and getting started is simple! Just log into the TopYa! Active app to begin working on all the new challenges. **Any child under the age of 13 will be required to connect a parent account.**

1. Download the TopYa! Active App from the App Store or Google Play
2. Register as a Parent
3. Use our school Invite Code
4. Then create your kid(s) account(s)
5. Let them work on the activities on their own device or film and upload videos from your device on their behalf!

Follow the tutorial videos and steps on the Get Started section at <https://topya.com/sgac/>. Here you can also get more insight into the competition and keep up with the action.

Unique School Invite Code

The unique school invite code you *must* use upon registering is **22533**.

Safeguarding

The TopYa! Active app is committed to online safety and meets rigorous COPPA and GDPR safeguarding standards. No one can communicate within the app. All children can only communicate with one another through a virtual 'high-five', which functions like a social media 'like'. Video content has been approved by School Games and is suitable for children. Every video is reviewed and approved or declined by certified and trained adults (Virtual Coaches) to make certain that no inappropriate or irrelevant videos are uploaded on the app. Please be aware that an online store is available on all player accounts with in-app purchases. Parental control settings are available on each student's account.

The School Games Active Championship has one goal in mind...To spark every child's love for fun physical activity! Be sure to get your students in on the action.

Have fun with the TopYA! School Games Active Championships!

Thank you.

Kelly King
