## Attendance

Whole school for the year is **97.7%** - our best yet and a great effort from all! Attendance levels have an impact on children's achievement but also their social ability and confidence. In assembly today an amazing **151** children received 100% certificates for the summer term. **55** of them also have letters recognising 100% attendance for the whole year!

## Reminders:

- Things to consider for those 'back to school' items:
- all items have to fit in lockers, so small rucksacks/PE bags are best;
- check uniform details on the website [parentzone/uniform](http://parentzone/uniform);
- Getting children's ears pierced? Start of summer holidays allows time to heal and avoid hoops (which are not allowed) in term.
