Latest News!

TEAMS

If your child hasn't received a TEAMS login, please us contact asap. All learning will be moving from email to the TEAMS platform but can be accessed as soon as it is uploaded.

Staffing

Slight setback due to lockdown, but we would like to wish a warm welcome to **Miss Valentine-Caswell**. She will be working in EYFS once we return to some sort of normality.

ENGAGEMENT

We have started recording figures for engagement with remote learning, but as it was the first full week online, some children have experienced technical issues or issues with logins etc.

We hope to get engagement date in here for next week.

Keep up the efforts!

Fundraising + BGL

Huge thank you to BGL for match funding what was raised before Christmas. They donated **£2000** to FONV funds.

Several parents who work for BGL have also approached us to apply for up to £2500 to support home learning. We can only apply once, but thank you!

Reminders:

- Don't forget to tweet any work you want to share and to tag your class (e.g. @NVPSDoves). It's great to see what you're doing.
- If any children have COVID-19 symptoms and test positive whilst at home, please let us know.

Dates for your Diary

15th – 19th February
Half Term

Thank you!

Whilst there are very few dates to list, we'll take advantage of the space to thank all those parents who have sent messages of appreciation and support.

We have genuinely been overwhelmed and it has helped to keep up staff morale, when their resilience has been tested to the extreme.
