2nd February 2021

Dear Parents/Carers,

recently we sent you a link to a Peterborough City Council survey regarding laptop and broadband accessibility for pupils. The results have been collated and they indicate that there are approximately 8,000 children who do not have access to a laptop or internet in their homes. Therefore Peterborough City Council are launching their 'Laptops for Children' campaign. As part of this campaign they are asking for donations of unwanted laptops, which will have hard drives (and data) removed and refurbished so that they are in good working order. These will then be given to schools across the county for distribution to children and young people who need them.

Laptops can be dropped off at libraries and every library in Cambridgeshire will be set up with a simple drop box located in the entrance which can be accessed during the published opening times: <https://www.cambridgeshire.gov.uk/residents/libraries-leisure-culture/libraries/visit-a-library> Peterborough City Library is also able to accept donations between 10.00 and 3.00pm Monday, Wednesday and Friday. [Peterborough Libraries Select and Collect | Vivacity Peterborough \(vivacity-peterborough.com\)](https://www.vivacity-peterborough.com). It is hoped to extend the scheme to other libraries in the City in the near future.

If you have any questions or queries regarding this, please e-mail LaptopsforChildren@cambridgeshire.gov.uk

Kind regards

Mr S Mansell
Head Teacher
