## Remote Education

It's important to remember that many of the activities you do at home as a family provide great learning opportunities. Children are still making progress whenever you spend time with them and spend time talking with them. If you can't do everything that is being offered – it's not a disaster – just do what you can.

## Reminders:

- School will be closed for half-term next week, as will Kingfisher Kids Out of School Club. Anyone eligible for benefits related Free School Meals will be provided for by Peterborough City Council during that week.
