#### Wider opening

It may not surprise you that, as of writing, we have no news on wider opening of school. We learn the same time you do.

Our sincere hope is that we can get the remaining 65% of children back in and that we can at least return to the provision that was proving effective in the autumn term.

### Laptops

Great news! Peterborough City Council have allocated us additional laptops for distribution from their fundraising campaign. It's not huge numbers, but will certainly supplement the 4 that were provided by the DfE (and parent donations!). They probably won't arrive much before children return but we will still make good use of them!

### Reminders:

- During restricted attendance at school, some parents have got into the habit of dropping and collecting children at the kerb. Please note that this is not acceptable and is both inconsiderate and dangerous to our children.
