EVERYONE'S BACK

What better 'latest news' could we have! Although we have been open, with almost 1/3 of children in school, there is nothing like the sound of many more voices in the playground to make it feel like a proper school again.

All arrangements are as before Christmas, so remember to avoid the crowds by sticking to the allotted window at drop off and pick up. Hopefully, this is the first step back to normality!

Post Lockdown provision.

Otherwise known as 'catch-up' (but for the children's sake, we hate that phrase).

It may seem like we are only just back, but plans are in place for assessing the children and what we need to provide. Once DfE guidance is finalised, these will be shared via the school website, but spending is likely to cover the next 2-3 years.

Reminders:

- Devices (laptops) provided during lockdown now need to be returned to school. Please contact the school office.
- Best endeavours regarding uniform please. We will be understanding where we can, but will pick up on children just trying to avoid complying.
