Music Lessons

As a result of our careful risk assessment and actions in school, we are proud to have been able to keep music lessons going. All visiting teachers follow very strict expectations and hygiene regimes, and it is a real credit to them that they have continued to provide us with this extra-curricular provision. Thank you!

Reminders:

- All arrangements for being in school remain the same as prior to Easter, separate bubbles, staff testing, lunches in classrooms, staggered start and end times etc. The only change is commencement of some after school club activities.
