Staffing

We are very pleased that Mrs. Thomson will begin her phased return at the end of this week. Nothing 'life-threatening' but she has experienced quite a debilitating condition. She is looking forward to being back in school and that being with the children will support her full recovery.

Huge thanks to Mr. Wood for providing a degree of continuity in recent weeks.

Reception allocation

Hard to believe that we are already at that point in the year where allocations for next year's reception have been made. Everyone applying should have received news by now and are requested to bring proofs into school. This includes for siblings of children already attending.
