Dear Parents/Carers

Sunflower Growing Competition

Hopefully you all received a packet of sunflower seeds before the Easter holidays. Take part in growing the biggest sunflower with prizes to be won for each year group!

Competition Details:

- One prize per year group
- Take a photo against a tape measure by Saturday 14th August.
- Send your photo to FONV@nenevalleyprimary.net
- Please let us know if you do not consent for your photo to be added to Social Media
- Winners will be announced on Monday 16th August

Top Tips:

- Sunflowers love garden soil in full sun
- Sow under cover in April. Grow in separate pots, 0.5cm deep. These can then be planted outside from late May.
- Sow directly outside in May. Plant 30-45cm apart.
- Sunflowers should start to flower between July to September

We hope you enjoy watching your sunflowers grow and look forward to seeing all of your photos.
