To the Parents, Children and Staff who are family members of OWN Trust.

ADJUSTMENT TO THE ROLE OF CHIEF EXECUTIVE OFFICER

Our schools are Nene Valley, Orton Wistow and Woodston Primary Schools.

I am delighted to let you all know that Mr. Stuart Mansell, who is both the headteacher of Nene Valley Primary School and Chief Executive Officer (CEO) of OWN Trust, has increased his CEO role to 4 days a week. Mr. Mansell will remain as Executive Headteacher of Nene Valley Primary School, but as he will not be directly leading the school Mr. Nick File, the current deputy head, will be acting headteacher. This new structure for the Trust and Nene Valley Primary School will last for the next year when it will come under review.

The other headteachers, Mrs. Mitchell and Mr. Eardley, will continue to develop their roles as strategic leaders within the trust and will support Mr. Mansell with their wisdom and expertise.

We are an ambitious Academy Trust and want to ensure that every school within our organisation is the very best that it can be. In order to make this happen, we know that we need a Chief Executive Officer who has more time to lead, develop and expand our Trust.

The Trustees and I are very proud of all our schools and everything they achieve in their very separate and distinctive ways, whilst sharing and developing our OWN Trust set of common values. Within our schools, we have an outstanding team of staff ranging from teachers to cleaners and as that team, put everything we have into striving for excellence.

The Trustees and I will make sure OWN Trust goes from strength to strength over the coming months and look forwards to the future.
