Latest News!

Phase 3/4 have finished recording their school play linked to their Iron Age learning and although we cannot have a live parent audience you will get to see their excellent acting via a link to the video recording this week.

Our annual antibullying survey will be sent out this week, but one of the benefits of bubbles has been that classes have become even closer. Friendship issues have been minimal, so we should see improved results again.

Covid Reminders

- Please arrive during your window to drop off – teachers will come to gates to signify the start of entry to school to avoid bubbles crossing over.
- Please try to be on time, if children enter through the office there is a greater possibility for coming into contact as they walk through school.
- Please stop children scooting at the front of the school while waiting, this could cause accidents and may increase the potential for bubbles mixing.

Uniform and school brand:

- Please remember trainers only on PE days.
- PE KIT should be school branded, examples are on the school website.
- Water bottles are essential as the weather improves – school ones are available from the office.
