Latest News!

Only a week to go to our first trips for over a year. We have been fortunate that the Government Roadmap dates fitted so well. It will be fantastic to return to enabling children to experience learning through off site visits – even if we have had to adapt in places.

Nene Valley continues to be a very popular school, we are again full, with waiting lists in most year groups. A key indicator of the high quality of teaching and learning, parental opinion and the ethos of the school.

Covid Update

Following guidance we have had to close a bubble this week, only for 3 days, but a disruption to all none the less. Please continue to follow social distancing guidelines to avoid this happening more frequently.

Bubbles and drop offs times remain: Schools have had no change to this guidance but will follow changes as they are announced.

Reminders:

- Just a reminder that we ask for clear water bottles in school and these can still be purchased from the school office.
- The staff carpark gates are being closed temporarily in the morning.
