### Summer Term Activities

Our motto has been if we can - we will do what we would normally do, but differently. Class assemblies have been recorded, rather performed in person. This applies to some traditional summer events, however we are not planning to run sports day. We are planning a cross country run at the Community Centre as a replacement.

### Reminders:

- Please remember if any family member is going for a Covid test all family members need to isolate until a negative (hopefully) result has been received.
