Latest News!

Today's collective assembly (on TEAMS!) linked all our school values together. I began with children watching the [video](#) on the school website, which is now quite old! (Mr Mansell looks a bit younger). Then we brainstormed ideas of how we exhibit those values in what we do. For example; when the children built dens they took turns to build and needed to make space inside showing RESPECT.

The children will be creating a new video over the next term to make it up to date.
