

Science

In Science, we will be exploring Living Things. We will identify living and non-living things and create a list of their properties. We will also compare the stages of human growth from birth to adulthood. We will explore the differences between babies and adults. During the topic, we will explore the life stages of animals and plants.

English

Our Author study this half term will be Julia Donaldson. We will be reading her books and writing in a variety of styles in response to what we have read. During the second half of the term, we will be focusing on non-chronological reports and diary writing, relating this to our Science topic on Living Things and the chicks.

Religious Education

In R.E this term we are going to be thinking about the question Who is God? We will be looking at different religions and understanding their beliefs and ideas about God.

Physical Education

Multi- Skills - We will be focusing on agility, balance and coordination.

A Grand Day Out Spring 2

Topic – A Grand Day

We are excited to begin our topic on 'A Grand Day Out'. We will be learning about the history of travel in the United Kingdom and how this has changed from the Victorian times. The children will be learning about keeping safe near public transport and writing their own risk assessments.

Mathematics

Place Value

We will be revisiting multiplication and division as well as place value.

Fractions

In this topic, we will be finding a half, quarter and a third as well as using unit and non-unit fractions. We will also be finding equivalent fractions.

Measurement – Time

We will be learning to tell the time to O'clock and half past the hour as well as quarter to and past the hour.

We will be solving problems relating to telling the time.

Shape

We will be exploring and naming the properties of 2d and 3d shapes as well as lines of symmetry.

Computing

We will be researching famous people and their inventions. We will also be looking at data handling and learning how to represent data with objects, drawings and displays.

Music

All the learning is focused around one song: Round and Round, a Bossa Nova Latin style. Cuckoos' will be continuing to learn how to play the ocarinas.

PHSE

This term we will be learning about diversity and communities. We will be focusing on what makes up our identities and learning about our own cultures and the beliefs of other people.

Core Learning Skills

Developing sense of self-worth and understanding of self and others.

Art and Design/Design and Technology

We will be studying the work of William Morris. The children will be designing and printing their own wallpaper.
