Latest News!

With so little positive news around (Ukraine, COVID etc.) it was great to have some new life in school, with all 10 chicks successfully hatched! It's these things that help everyone keep going, helping us all to remember how important life is.

Pressures on staffing in all schools continues, and we are doing our best to maintain continuity and stability at Nene Valley. We really appreciate where OWN Trust has been able to help, providing both teaching and kitchen staff this week. Thank you to you all for your ongoing support!
