**Latest News!**

In my last regular newsletter as Head, I get to go out with a **splash** thanks to the Friends of Nene Valley.

After having raised £1047 at the school disco last week the FONV have used some of the funds to buy some cooling paddling pools for today and tomorrow. A little bit of water fun and an extra way to cool down. Your children might get wet, if they choose to! Have a great summer break and thank you for all your support over the last 18 months.

**Disco**

Last week's disco was amazing, the FONV did a wonderful job arranging and organizing an event, that some of the younger children had never experienced. The older children however looked like professional ravers and the DJ said it was one of the best school discos he had ever played for!
