

Head Teacher. Neil Reilly
Deputy Head Teacher. Nick File

Dear Parents/Carers,

I have some updates/reminders for you now that the children are settling into school.

Milk

All children under the age of 5 are entitled to receive free milk at school. However, in order for them to receive this, you need to register them for this at: www.coolmilk.com. Click on the tab that says 'Register your child for school milk' and follow the instructions. We do not receive milk for the children if they are not registered and therefore, without being registered we are unable to provide milk for the children. Once your child turns 5, there is a small fee if you would like your child to receive milk at school. If you follow the same process, you will find further information. Once you have registered your child, they will appear on a list generated for us. This can take a week, therefore please register your child as quickly as possible to ensure that they are added to the list for next week.

Appropriate clothing

Please can I remind you to label/name ALL items of clothing, including both shoes and waterproof coats. Children change into their wellies regularly when playing outside and it can be tricky to identify which shoes belong to which child without clear labels. All children need a pair of wellies to be left at school, as well as a bag with spare clothes (these do not need to be school uniform, but plain and school colours please, it is helpful if you include a pair of socks and underwear).

Water Bottles

Please ensure that your child has a named water bottle in school. These need to be transparent and filled with water only. They are available to purchase from the school office.

Special boxes

Thank you very much for all of the effort and hard work put into creating special boxes. We are taking time to share these in small groups with the children and will keep them in school for the next few weeks. We will return them to you as soon as they have been shared.

Tapestry

As we have received the completed permission forms, relative accounts have been activated to Tapestry. You should receive an email to complete this, so please check your inboxes and activate your account as soon as possible. Please check that you are able to log in and if you have any problems at all please do not hesitate to come and see us.

Thank you very much for your continued support throughout this transition period.

Kind Regards,

Miss Katie Brown
EYFS Leader
