03 September 2020

Dear Parents

'Re-opening of Breakfast Club – September 2020!'

Thank you for your patience over the summer in waiting for final details of arrangements for Breakfast Club.

All requests for places have been accepted and children can start to attend on the day that they return to school. Full details of this have already been sent to all parents.

At the start of the summer we sought additional information about potential drop off 'windows' and we have attached the original request as a reminder. Many thanks to all those that replied. Our intention was to try and work out when the greatest 'pressure points' were in terms of numbers arriving together. We have decided not to allocate specific windows, but ask that parents stick to the preferred window that was originally indicated; ideally the later time if you have indicated 2 possibilities. Parents do need to allow additional time, as we will have to operate a socially distanced queuing system at the entrance. In order to speed things up, the staff operating the entrance will simply tick off on a register and not require a signature. Children will then head to their allocated room/group. Children will go to class once breakfast club has closed, regardless of their staggered school start time.

Breakfast Club cannot operate the same bubbles that the school does during the day, but does have to consider how to reduce the mixing of children between bubbles. Therefore, we have split the club into 4 phase groups (EYFS, 1/2, 3/4 and 5/6), so that where classes are mixing, at least it is within the same phase. The phases will be indifferent rooms where possible, with distancing between groups where the same room is used.

Children will be using heightened hygiene procedures (hand washing and sanitising) and encouraged to consider social distancing practice (safe distances where possible, no physical contact, limited sharing of resources etc.)

Breakfast – we are having to review what we can provide and how it is accessed. It may be that in the first week or so that we have to limit to toast/muffins etc. as we work through the logistics of having to make provision in different rooms.

Some reminders before attending:

- Please encourage your child to go to the toilet immediately before leaving home as we want to reduce the number of children needing access to toilets in different parts of the building;
- Limit the items brought into school in line with the full guidance sent to all parents. Children may have to deposit their belongings in their own class prior to accessing the club (we will manage this);
- Encourage handwashing prior to leaving the house;
- Masks should not be worn (further details in full school information sent earlier this week);
- Children will enter through the front of school as normal, but with appropriate social distancing whilst queueing.

***Children (and staff) who are displaying symptoms of COVID-19 (described below), or who have received a positive test, should not be sent to Breakfast Club.***

Once we are back up and running and all of the staff are in school next week, we will have a much clearer understanding of where we can adjust arrangements and will update you if anything changes.

Thank you for your support throughout this time.
